

Big Goal Accelerator Projects

What criteria must projects meet to be eligible?

- Work only with women and/or girls who are facing obstacles
- Provide access to education
- Ultimately have the goal of economic empowerment
- Be a Soroptimist-led hands-on project
- Be reported to SIA through the official reporting [link](#) by June 30th each year

What kinds of projects are **not** eligible?

- Raising awareness
- Beautification of space
- Sharing applications
- Grants/donated funds given to nonprofit organizations
- General social empowerment
- Dream Programs work

What are the categories of projects?

- Scholarships/awards
- Providing required items for education
- Classes

What's your project missing?

- **Population**
 - Change your project so it focuses on women and/or girls who have obstacles to their success.
- **Focus**
 - Is it focused on increasing access to education? If not, change the focus to one of our eligible project areas: classes, scholarships, or providing items required for education.
- **Soroptimist-led**
 - Make sure your project is member-driven and not fundraising for another organization's mission!
