

Club Compliance Checklist

SIA Standards for Working with Youth

Follow these steps to comply with the SIA Standards for Working with Youth:

- Develop your club-level background check procedures
 - Research local and state/province/country laws and include any necessary screenings to ensure compliance
 - If you're working with a community partner, include any background checks necessary to be compliant with their regulations
 - Using [Info Cubic](#), obtain the necessary clearances
- Have each club member interacting with youth:
 - Read the SIA Standards for Working with Youth
 - Read the Training on Standards for Abuse Prevention When Working With Youth
 - Submit a signed Club Member Compliance and Release Form to the club treasurer
 - Submit copies of clear background checks to the club treasurer or authorize club leadership to conduct screenings and background checks via the Club Member Compliance and Release Form
- Collect consent and release forms for participating youth
 - Dream It, Be It Parental Consent and Media Release Form
