

Impact & Club Engagement Report

2023-2024

SOROPTIMIST INTERNATIONAL OF THE AMERICAS, INC. ®

In 2023-2024, 23,738 girls participated in *Dream It, Be It* through 364 projects hosted by Soroptimist clubs.

This year, the number of girls reached increased by 4,624 (24% increase) and the number of projects increased by 68 (22% increase). Of the 364 projects held in 2023-2024, 149 were conferences, 170 were a series of small group mentoring sessions, and 44 were held in another format. This year, clubs contributed 28,140 volunteer hours and \$ 238,560 in support of local *Dream It, Be It* projects.

Clubs' and regions' dedication to our Big Goal of investing in the dreams of half a million women and girls was shown in this year's participation in *Dream It, Be It*. This year more girls participated in the program, and the impact of *Dream It, Be It* remains strong: the program evaluation outcomes met or exceeded all of our targets, FY23/24's performance, and five-year averages. *Dream It, Be It* is still extremely relevant and beneficial to the girls who participate. To secure our future – and the impact we have on girls – we need to continue our efforts to work towards the same goals. SIA is committed to serving more girls who face obstacles such as poverty, violence, teen pregnancy, foster care or other circumstances. SIA's research found 10.2 million girls in our countries and territories who are 14-18 years old and living in poverty. These are girls who could be served by *Dream It, Be It*. For us to reach our Big Goal – and for others to understand how our global efforts improve the lives of girls – we need to continue investing our resources in *Dream It, Be It* to strengthen our story of greater impact.

Using a participant evaluation form, clubs collected responses from girls after each *Dream It, Be It* project and entered them into an online evaluation form. For 2023-2024, the online evaluation form collected responses on behalf of 13,134 participants (65% of girls in our target age group). The girls reported exciting results:

- 90% feel more confident about their future success
- 87% feel more prepared to pursue their career goals
- 85% report *Dream It, Be It* has provided them with new tools to overcome obstacles to their success
- 87% report *Dream It, Be It* has provided them with new tools to overcome setbacks
- 92% understand how their values can connect to possible careers
- 87% know women who want to support their professional aspirations
- 88% were introduced to professional role models
- 91% created achievable goals for their future
