10,178 girls participated across 14 countries and territories

GIRLS ARE EMPOWERED TO LIVE THEIR DREAMS

88% feel more confident about their future success
91% created achievable goals for their future
86% feel more prepared to pursue their career goals
85% have new tools to overcome obstacles to their success

GIRLS ARE INSPIRED BY POSSIBILITIES

They said:

• “This program guides me to choose my career and gives me confidence in myself to move forward.”—Mexico/Centroamerica
• “I enjoyed hearing the stories of inspiration and overcoming obstacles.”—Japan Kita
• “Being with the girls and the educators, even if it's online, at this time of pandemic, is the best part of my day, of my week.”—Brazil
• “I remember having a hard time because there was nowhere to go for advice and help. Thank you so much for giving me such a great opportunity for help! Thanks to your help, I was able to achieve a tremendous increase in my grades. I was really grateful that I could hear support and advice not only for my grades but also when I had a lot of troubles.”—Korea
