

# 2023-2024 Club Participation and Impact Report

## SOROPTIMIST INTERNATIONAL OF THE AMERICAS

In 2023-2024, **2,269 women received over \$3.1 million in funding** through the Soroptimist *Live Your Dream: Education and Training Awards for Women*.

This year, the overall funding increased by 6% and 95 more women received the award compared to last year. The total of non-cash awards given by clubs was valued at \$309,981. 78% of clubs in Soroptimist International of the Americas participated in the *Live Your Dream Awards*.

These increases in number of women honored with an award and additional support demonstrate clubs' and regions' response to our organization's 2021-2031 Big Goal of investing in the dream of half a million women and girls through access to education. To secure our future – and the impact we have on women – we need to continue our efforts to work towards the same goals. SIA is committed to honoring more women who have faced obstacles such as poverty, violence, teen pregnancy, or other circumstances. SIA's research found 9.6 million women in our countries and territories who are women head of households living in poverty. These are women who could be served by our *Live Your Dream Awards*. For us to reach our 2031 Big Goal – and for others to understand how our global efforts improve the lives of women – we need to continue investing our resources in the *Live Your Dream Awards* to strengthen our story of greater impact.

Recipient impact surveys have consistently shown the impact of the *Live Your Dream Award*. Recipient surveys are sent to past recipients three years after receiving the award. Prior to the survey, communications are sent to the recipients one and two years after receiving the award. The survey's results show the strong and continued impact of the program:

- 81% who completed their education improved their standard of living for themselves and their dependents
- 93% reported increased self-esteem
- 80% who completed their education secured higher-paying employment
- 96% reported serving as a role model for their dependents
- 56% reported past experiences with domestic violence, sexual assault, child abuse, and/or trafficking. Of those women, 96% report now living in a safe environment.

## Inspiring Stories

In addition to quantifiable results, we also received stories from women about how the program has affected their lives and the lives of their families.

*Regarding the future, I feel excited, since thanks to you I am about to fulfill one of my dreams and to be sure that my family will not need anything in the future. The growth I have achieved during this time has been impressive and I know it will help me a lot in the future. —Panamanian Recipient*

*I'm determined to use it not only to improve my life, but the lives of my siblings. But most of all, I'm determined to use it so that I can continue helping others – to mend their lives, to heal, and to spread their own brand of kindness and good in the world. —Eastern Canada Recipient*

*Thank you again for your wonderful award program and for recognizing my struggles, but also my hard work and determination to live my dreams. I now have a strong belief in my abilities, knowing that there are women, like Soroptimists, who believe in me and are willing to offer guidance and support. —Western Canada Recipient*
