

# 2022-2023 Club Participation and Impact Report

## SOROPTIMIST INTERNATIONAL OF THE AMERICAS

In 2022-2023 **2,174 women received over \$2.9 million in funding** through the Soroptimist *Live Your Dream: Education and Training Awards for Women*.

This year, the overall funding increased by 8% and 283 more women received the award compared to last year. The total of non-cash awards given by clubs was valued at \$326,055. 77% of clubs in Soroptimist International of the Americas participated in the *Live Your Dream Awards*.

These increases in number of women honored with an award and additional support demonstrate clubs' and regions' response to our organization's 2021-2031 Big Goal of investing in the dream of half a million women and girls through access to education. To secure our future – and the impact we have on women – we need to continue our efforts to work towards the same goals. SIA is committed to honoring more women who have faced obstacles such as poverty, violence, teen pregnancy, or other circumstances. SIA's research found 9.6 million women in our countries and territories who are women head of households living in poverty. These are women who could be served by our *Live Your Dream Awards*. For us to reach our 2031 Big Goal – and for others to understand how our global efforts improve the lives of women – we need to continue investing our resources in the *Live Your Dream Awards* to strengthen our story of greater impact.

Recipient impact surveys have consistently shown the impact of the *Live Your Dream Award*. Recipient surveys are sent to past recipients three years after receiving the award. Prior to the survey, communications are sent to the recipients one and two years after receiving the award. The survey's results show the strong and continued impact of the program:

- 81% who completed their education improved their standard of living for themselves and their dependents
- 93% reported increased self-esteem
- 80% who completed their education secured higher-paying employment
- 96% reported serving as a role model for their dependents
- 56% reported past experiences with domestic violence, sexual assault, child abuse, and/or trafficking. Of those women, 96% report now living in a safe environment.

## Inspiring Stories

In addition to quantifiable results, we also received stories from women about how the program has affected their lives and the lives of their families.

*“Receiving this award has given me confidence. It gave me the confidence to go forward and write my law school application personal statements with complete candor. I took so much from my community while in active addiction that this is a way for me to make amends and be a role model for my daughter and other women.” –USA Recipient*

*“Since I was a teenager I always told myself that I had to overcome myself and leave the past behind to build a present and fight for my dreams. Every time that I fall I get up and start again. But despite everything I've been through, God has blessed having the support of Soroptimist be able to fulfill my dream.” –Venezuela Recipient*

*“None of my siblings were able to pursue their dreams because of financial problems. I am the first one who can finish college, and I will support my younger siblings with their education once I am in my career.” –Philippines Recipient*
