

2019-2020 Club Participation and Impact Report

SOROPTIMIST INTERNATIONAL OF THE AMERICAS

In 2019-2020, **1,770 women received over \$2.8 million in funding** through the Soroptimist Live Your Dream: Education and Training Awards for Women.

This year, funding increased by \$189,530 (7%) and 115 additional women received the award (7%). The total of non-cash awards given by clubs was valued at \$265,919. Additionally, 83% of clubs in Soroptimist International of the Americas participated in the Live Your Dream Awards, which is a 1 percentage point increase from last year.

These increases in funding provided to recipients, number of women honored with an award, and additional support demonstrate clubs' and regions' response to our organizational goal of increased collective impact. Increased impact for the Live Your Dream Awards, more and diverse funders, and a slowdown in our membership decline prove that we can accomplish more when we work together. To secure our future – and the impact we have on women – we need to continue our efforts to work towards the same goals. SIA is committed to honoring more women who have faced obstacles such as poverty, violence, teen pregnancy or other circumstances. SIA's research found 9.6 million women in our countries and territories who are women head of households living in poverty. These are women who could be served by our Live Your Dream Awards. For us to grow our collective impact – and for others to understand how our global efforts improve the lives of women – we need to continue investing our resources in the Live Your Dream Awards to strengthen our story of greater impact.

Recipient impact surveys have consistently shown the impact of the Live Your Dream Award. Recipient surveys are sent to past recipients three years after receiving the award. Prior to the survey, communications are sent to the recipients one and two years after receiving the award. The program's five-year averages show the strong and continued impact of the program:

- 84% who completed their education improved their standard of living for themselves and their dependents
- 94% reported increased self-esteem
- 78% who completed their education secured higher-paying employment
- 95% reported serving as a role model for their dependents
- 54%** reported past experiences with domestic violence, sexual assault, child abuse, and/or trafficking. Of those women, 97%** report now living in a safe environment.

**Only three years of data is available for analysis.

Inspiring Stories

In addition to quantifiable results, we also received stories from women about how the program has affected their lives and the lives of their families.

From a recipient in Canada who overcame domestic violence, sexual assault, child abuse, or trafficking, received USD\$1,001 - \$3,000 in Live Your Dream Award funding, went on to complete her education as well as experience increased self-esteem and standard of living, and now serves as a role model for her children:

“Thank you for joining me in my journey through finding myself and learning to believe in myself. It is through awards like the Live Your Dream [Award] that allows women to break through the walls that keep us down. I have done it, and now I hope to watch my children do the same. Having others believe in us inspires women like me to find the strength inside to take a chance on themselves.”

From a recipient in Japan who overcame domestic violence, sexual assault, child abuse, or trafficking, continued work towards her degree as well as experienced increased self-esteem and standard of living, and was even promoted at her job:

“Having received the award to live my dreams was a great success experience in my life and gave me confidence... Also, I am very grateful for the unexpected positive impact and for the people who brought me... It was a great experience! I'm just grateful. And I would like to ask for the support of those who are in the same difficult and difficult situation - I would like to become a supporter and support people who live their dreams.”

From a recipient in the United States who received USD\$1,001 - \$3,000 in Live Your Dream Award funding, went on to complete her degree as well as experience increased self-esteem and standard of living, and now serves as a role model for her dependents:

I was struggling to support myself financially while attending school full-time. The funds I received came at a crucial time that helped me stay in school because critical needs were met. I am so grateful for your generosity and sincerely thank you for helping me reach my goals.
