

## The power of collective impact:

When your club makes a Club Giving contribution of **at least 10%** of what your club raises locally, you join forces with other **compassionate** Soroptimists and extend your club's reach beyond your local community to ensure a better life for women and girls **worldwide!**

## Club Gifts ensure that SIA can...

- Enable newly chartered clubs to provide their first *Live Your Dream Award*.
- Provide Soroptimist Club Grants and distribute the funds to local club projects in support of the Big Goal.
- Develop resources that help clubs raise funds and create impact locally.
- Create and annually update training materials, promotional materials, and procedures for the Dream Programs.
- Translate materials so they are available in the six languages used by our members and the women and girls we serve.
- Track and analyze program data across all regions to be able to communicate our collective impact.
- Fund *Live Your Dream Awards* for region and federation recipients.
- Fund *Live Your Dream Awards* for women who do not live near a Soroptimist club.
- Provide information to help our volunteer representatives with their advocacy efforts for the UN and UN-related events.
- And more!
