

# SIA Dues Reminders

2026-2027 Club Year

## New Dues Deadline for Payment

Eligible users can log in to the member portal to pay the 2026-2027 annual club dues starting July 1, 2026 when the online system will now update dues pricing. Clubs will have the entire month to complete payment by the new July 31 deadline. **Please do NOT pay before July 1**, as your club's payment will not be attributed to the correct club year. Questions? Email [siahq@soroptimist.org](mailto:siahq@soroptimist.org) for more information.

## Member Portal

### Benefits of Using the Member Portal

- There's no longer a need to mail in forms or checks if you use the portal! Users can export a copy of their club roster, edit their rosters, add new leaders, generate an invoice, and pay dues all in one place.
- Credit card payments and edits through the portal are processed and reflected on the club record immediately (ACH transfers are reflected within 5 days typically). There's no waiting for SIA staff to process and attribute payments correctly or having to submit additional documentation about club rosters.
- No need to wait for SIA business hours—you can make edits and payments on your time.

### Member Portal Resources

Please consult the resources below for assistance logging in and using your portal account.

- [Club Administration](#)
