Big Goal Targets: 2026-2027

October 2026

Below are region targets for the 26/27 club year: the total number of women and girls your region reached in 25/26. This approach gives clubs the flexibility to grow in the ways that best fit their budgets and communities. We especially encourage clubs to keep their *Live Your Dream Awards®* and *Dream It, Be It®* numbers steady, and to grow them whenever possible.

By meeting this target each year through 30/31, together we will reach our Big Goal. Let's keep up the momentum!

Total targets also include Big Goal Accelerator Projects. For the full breakdown, see Big Goal 25/26 Progress and 26/27 Targets.
