Dear Soroptimist Friends,

I wish you all a fabulous 2024 Region Conference! I love this time of year. It brings back fond memories of the valuable experiences I've had at past conferences. Not only do you experience the education and inspiration from the speakers and workshops, but spending quality time with your club and meeting members from all over your region is a highlight of the year!

A privilege of being on the SIA Board of Directors is visiting region conferences throughout the federation. I encourage you to make the most of this opportunity, connecting with your official visitor and spending time together. This is one of our favorite activities!

One of the most rewarding aspects for me is when we honor our *Live Your Dream Awards* recipients. The gratitude and excitement they share when receiving their awards is truly heartwarming. Take the time to meet with them personally and give them encouragement for the pursuit of their dreams!

Even being part of the business sessions where you discuss bylaw changes, elect new region officers, and celebrate various achievements around the region, is equally inspiring! You are a part of the process, and this makes your Soroptimist experience so impactful.

These experiences not only enrich our understanding but also strengthen the bonds within our club and across the region.

Have fun, learn a lot, and share the joy of Soroptimist with your club members when you return home!

Reaching new heights together,

Bobbi
