

Soroptimist

International of the Americas, Inc.®

Our Vision

Women and girls have the resources and opportunities to reach their full potential and live their dreams.

Our Mission

Soroptimist is a global volunteer organization that provides women and girls with access to the education and training they need to achieve economic empowerment.

Greetings, my fellow Soroptimists!

It is with great pleasure that I welcome you to your 2024 region conference! This year, we invite you to participate in workshops and presentations specifically designed to help increase our collective impact, learn about new technology to help recruit and retain our member base, tips to increase our global brand recognition, and so much more.

This conference is not only about learning, collaborating, and becoming inspired. It's also about us celebrating our successes. We are in fact reaching new heights together!

We're providing more *Live Your Dream Awards* to women, mentoring more girls through Dream It, Be It, and providing even more opportunities for empowerment through our Big Goal Accelerator projects. In fact, just this past year, we have helped nearly 59,000 women and girls through projects that work towards hitting our Big Goal!

We know it takes tremendous determination and courage for women and girls to follow their dreams, especially when the odds are stacked against them. Reaching our next Big Goal will require equal determination from Soroptimists just like you. Now is the time for Soroptimists to reimagine what we are capable of.

Let us unite in our determination. And let us remain a leader in the fight for a world where all women and girls can pursue their dreams. A world where women and girls can achieve economic empowerment. A world where they create a wave of change that shapes the future, not just for themselves but also their families and communities for the better.

It is an absolute pleasure to serve as your Executive Director/CEO and to work beside such an amazing group of Soroptimists dedicated to making dreams come true. Let us reach new heights together!

Sincerely,

Michelle Burnett
SIA Executive Director/CEO
