LET'S PARTY LIKE IT'S 1969!

Calling all current and potential Laurel Society members!

Want to take a trip back in time to the most popular nightclub in Yokohama? The Peanut Club was THE "it" place during the 60s and early 70s. A club where both Japanese and American young people would hang out for the MUSIC, DANCING, FASHION and FRIENDSHIP.

This event is our way of saying "thank you" to our incredible Laurel Society members. If you're an active member who has given \$360 in this biennium, or if you've become a new member since September 1, 2016, you're invited!

Not a Laurel Society member? No problem. Just make a minimum donation of \$1,000 and you're in!

You don't want to miss this once-in-a-lifetime event. So don some 60s or 70s garb, and join us for a night of CELEBRATION and FUN!

Visit <www.soroptimist.org> to join the Laurel Society, or if you are already a Laurel Society member, to give your contribution of at least \$360 to remain an active member.
